TWO STUDENTS,
NAVAL OFFICER
BADLY INJUREDAUTO HITS REAR END OF
TRUCK ON U. S. 40
EARLY TODAY

Two students at St. Louis University and a Navy lieutenant were seriously injured in a traffic accident on U. S. 40, one mile east of the junction with Highway 43, at 3:50 a. m. Wednesday.

Listed as critical at the Putnam county hospital were:

John Hugh Dolan, 18, of 1604 West Street, Union City, New Jersey.

John E. McLaughlin, 18, of 4380 Katanah Ave., Box 70, New York City.

Listed as serious was:

Lt. George Richard Matais, 24, of 223 Crystal Street, Johnstown, Pennsylvania.

State police reported that all three were riding in an automobile owned by Lt. Matais which was being driven by Dolan.

Police said that prior to the accident, they had received a report that a truck loaded with coal was on fire at the side of the dual lane highway. The state farm fire department was notified and made a run to the scene.

Another truck, headed east, slowed down to about ten miles per hour as it approached the fire. The car containing the three young men was also headed east at a fast rate of speed and crashed into the back end of the truck.

Police said witnesses told them that the auto was traveling better than 80 miles an hour and that they did not even notice the flashing spotlight of another truck whose driver was trying to warn them to slow up.

All three were riding in the front seat and were pinned in the wreckage of the demolished car. State Trooper Howard Brackney said it took him twenty minutes to extricate Dolan. Brackney said Matais was conscious after the crash.

Both Dolan and McLaughlin are St. Louis University basketball players. Lt. Matais is a graduate of the U. S. Naval Academy at Annapolis, Maryland, and is stationed at the Alameda Naval Air Station, Alameda, California.

Police believed that Matais picked up the two younger men in St. Louis and was giving them a ride as they were on their way home for the Christmas holidays.

Opposes Boost
In Foreign Aid

WASHINGTON, Dec. 21 (UP)—Chairman Walter F. George of the Senate Foreign Relations Committee predicted today that Congress will reject an administration request to double foreign aid appropriations next year.

The influential Georgia Democrat was one of a number of Congressmen who said the \$4,900,000,000 in Foreign Aid funds which the administration plans to seek will be trimmed sharply.

Secretary of State John Foster Dulles said yesterday that Congress would be asked to fix Foreign Aid appropriations at that level—nearly double this year's allotment—although actual spending would be boosted only by \$200,000,000.

"I am satisfied that Congress will not approve any \$4,900,000,000 if they (the administration) ask for it," George said at his Vienna, Ga., home.

Tiger Cubs Bow
To Martinsville

A red hot Martinsville team, hitting field goals from far out beyond Greencastle's zone defense, downed the Tiger Cubs, 77 to 69, Tuesday evening over at the Artesian City.

The local high school netters didn't do such a bad job of shooting as they connected for a total of 26 baskets from the field and kept the winning Martinsville squad in a tizzy all the way.

Jerry York pumped in 22 points to lead the Cub attack. Chuck Dickson collected 15 and Jim Braden 13 points.

Big guns for the Artesians were Major with 23, Dorsett with 19 and Quackenbush with 17.

It was an interesting encounter with Martinsville holding the edge at all stages, 24-16, 49-43, 64-58 and 77 to 69.

The Greencastle B team also lost the curtain raiser by a 56 to 42 decision.

Clovers Tap Van Buren
Greencastle took the measure of Van Buren to the tune of 62 to 48 Tuesday night over at Van Buren.

Coach Glenn Steele's netters were out in front, 37 to 33, at halftime.

Lewis, Monnett and Whitaker hit 48 points between them to aid the Clover cause.

Bees Edge Pointers
Russellville won a thriller Tuesday night at Bainbridge when the Bees nosed out the Pointers, 41 to 40.

The Russell Township squad had to come from behind to win at Bainbridge after trailing, 14-10 at the quarter, went on to hold a 24 to 21 advantage at the half and a 37 to 31 edge at the end of the third period.

Hawks Stop Waveland
Roachdale defeated Waveland, 66 to 49, on the Waveland floor Tuesday evening.

Behind, 13-8 at the quarter and 25-22 at halftime, the Hawks forced into a 50-39 lead in the third frame and went on to win.

DePauw Wins
Carl Meador tossed in 39 points for Hanover last night but the Panthers lost to DePauw, 83-77.

Hanover trailed, 40-36, at intermission, but the Tigers held a 10-point or better margin for most of the game.

Bob Schrier netted 25 points and John Bunnell 22 for the Tigers. Runnerup to Meador for Hanover was John Morris, with 17.

E. German Reds
Hurl New Threat

BERLIN, Dec. 21.—(UP)—The East German Communists said today they would try western allied nationals before Communist courts if they commit crimes in East Berlin. The threat included U. S. soldiers.

It was another indication by the Soviet Zone government that it considers the four-power agreements on Berlin dead.

"The German Democratic Republic is a sovereign state with its own laws that must be respected by visitors," said the Communist mouthpiece Berliner Zeitung.

"Therefore it will be necessary that in the future criminals be tried by our own courts for violation of laws on the territory of the German Democratic Republic."

The threat came in an angry editorial on the acquittal by a U. S. Army court martial of two American soldiers the Reds accused of attacking an East Berlin actor in a cabaret known for its anti-United States skits.

IKE STUDIES
DEFENSES OF
WEST EUROPECALLS AFTERNOON CONFERENCE
WITH SECRETARY OF STATE DULLES

WASHINGTON, Dec. 21 (UP)—The status of Western Europe's defenses occupied President Eisenhower's attention today.

He summoned Secretary of State John Foster Dulles to an afternoon conference (2:30 p. m. EST) for a first-hand report on last week's meeting of the North Atlantic treaty council.

Dulles on his return from the Paris meeting Sunday was glowing optimistic. He said the nations of Western Europe feel "more than ever secure."

The President and Dulles also might discuss administration plans to ask congress for \$4,900,000,000 in foreign aid next year—almost double the appropriation for this year. Dulles was reported to have discussed the increase at Paris.

Announcement of the administration's foreign aid proposals has stirred up strong opposition in Congress.

The President and Mrs. Eisenhower completed plans for celebrating Christmas at the White House and waited for the news of the birth of their fourth grandchild.

Their daughter-in-law, Barbara Eisenhower, was at nearby Walter Reed Army Hospital. The baby was expected soon.

The President and Mrs. Eisenhower visited their daughter-in-law last yesterday in the hospital's presidential suite. The anxious father, Maj. John Eisenhower, also was present.

Mr. Eisenhower grinned after the visit and said: "Why, she looks fine."

The Eisenhower returned to the White House yesterday a day earlier than planned from their farm at Gettysburg, Pa. White House Press Secretary James C. Hagerty said the move to Washington, originally scheduled for today, was changed so Mrs. Eisenhower could get to work on some Christmas arrangements.

The President had been at his farm with one side trip to Washington since Nov. 14, recovering to go south after the Christmas from his heart attack. He plans to go south after the Christmas holidays.

Mr. Eisenhower got his first look last night at the 65-foot National Christmas tree which he lighted by remote control from Gettysburg Sunday. The brilliantly -lighted tree is in the park behind the White House.

Gov. Shivers Is
Against Adlai

AUSTIN, Tex., Dec. 21.—(UP)—Gov. Allan Shivers again voiced his opposition to Adlai Stevenson as a presidential candidate yesterday and predicted that if President Eisenhower seeks reelection the Democrats will have a hard time pulling Texas out of the Republican fold.

Shivers told a press conference that any Democratic candidate "will have to be a stepper" to carry historically - Democratic Texas against Mr. Eisenhower.

In speaking of Democratic presidential possibilities, Shivers said he was committed in his views on only one candidate—that was Stevenson. Shivers said he was opposed to him now as he was in 1952 when he led Texas into the Republican column because Stevenson refused to support the state's claim to its tidelands.

"No man who does not believe in the states' constitutional boundaries or rights deserves to be President," the Governor said.

He expressed hope the Democrats will nominate a "moderate type candidate—one who will keep the government as balanced as it is now."

Three Policemen
Under Suspension

NEW ALBANY, Ind., Dec. 21.—(UP)—Two patrolmen and a police captain were under suspension today as the result of a dispute over the question of policemen carrying lunchboxes while walking their beats.

One of the patrolmen, Robert Thurman, accepted a five-day suspension meted out by Police Chief Asa Wilson. The other, Edward Emily, took his case to the Board of Public Works at a meeting late Tuesday and was slapped with a 25-day suspension without pay.

The board, in a surprise action, then issued a statement relieving Capt. Robert T. Edlin of his duties pending an inquiry into the issue.

The flareup began last week when the number of officers assigned to squad cars was reduced from two to one, with the second man ordered to walk his beat.

The following day Thurman and Emily, assigned to pounding their beats, carried lunchboxes on their rounds. The patrolmen claimed they couldn't afford to eat at a restaurant.

The police chief charged the men carried their lunch to "humiliate" the board and himself and brought about "abusive publicity."

Edlin, who was on duty at the time, was charged with indiscrete handling of his captain's duties and with misconduct. Edlin last year was the central figure in a dispute with Asa over gambling raids. He was suspended at the time, but was reinstated after a series of hearings.

About eighty farmers from Putnam County attended the organization meeting of the proposed Farmers Union organization within the county, when was held in the assembly room of the court house Tuesday evening.

Lawrence Dorrell of Johnson county, was in charge of the meeting but several farmers from Putnam county spoke during the meeting. They expressed the opinion that sufficient members could be obtained for a Putnam County charter, 100 members, some time during the winter; and in all probability another meeting will be held after the holidays. Slightly more than fifty members have signed up for members in the organization Mr. Dorrell reported today.

Jury Convicts
Slayer Of Six

PRINCETON, Ind., Dec. 21.—(UP)—Leslie Irvin, admitted slayer of six persons, today faced death in the electric chair following his murder conviction by an all-male jury that took less than two hours to decide his fate.

A Gibson County jury of 10 farmers, a businessman and a factory worker Tuesday night found Irvin guilty of first degree murder in the shooting death of an Evansville service station attendant and recommended the death penalty.

Judge A. Dale Eby deferred sentencing until Jan. 1, and dismissed the jurors after commending them for their "patience" in the five-week trial.

The 31-year-old Irvin, an Evansville pipefitter, displayed no emotion when he heard the verdict read. But his aged mother, Mrs. Alice Irvin, burst into tears.

As Irvin was led back to his jail cell, he stopped to comfort his mother and told her not to worry because "we are going to appeal." Defense Attorney Ted Lockyear confirmed that he expected to appeal.

Lockyear had claimed Irvin could not receive a fair trial here due to bias and prejudice against the defendant.

Irvin was convicted of the robbery-slaying of W. Wesley Kerr, 39, last Dec. 23. About 150 persons were in the courtroom when the verdict was returned, and many of them gasped when the death penalty was read.

The jury got the case about 2:25 p. m., CST, and deliberated about an hour before going out to lunch. They returned an hour later and brought in their verdict 7:15 p. m., CST. Jury foreman Frank Robinson read the verdict.

UN SECURITY
COUNCIL HOLDS
VITAL SESSIONMEETING EXPECTED TO RESULT IN RUSSIA'S
16TH VETO

UNITED NATIONS, Dec. 21.—(UP)—The Security Council met at 10:30 a. m. today to begin a discussion likely to increase the demand for it to increase the veto in another three years, defense sources said today.

The meeting was called to discuss a British resolution saying the council recognizes Japan's qualifications for membership and hopes the General Assembly will do something about them as soon as possible.

The Russians have vetoed Japan three times previously, and 12 other nations once each, in the past week. The veto of the other non-Communist countries was withdrawn later, but Russian opposition to Japanese admission is adamant.

Also awaiting attention by the council is a report by Canadian Maj. Gen. E. L. M. Burns on Israel's Dec. 11 attack on Syrian forces on the shores of the Sea of Galilee. This subject probably will not be discussed until the council takes up a Syrian complaint tomorrow.

Delegates to the 10th U. N. General Assembly are heading for home. The assembly adjourned yesterday, after deciding to make Communist Yugoslavia a "semi-permanent non-permanent" member of the Security Council.

The assembly chose Australia and Cuba nine weeks ago to fill two of the three vacant non-permanent (vetoless) seats on the council, but it could not decide whether the Philippines or a Communist nation should have the third.

The first Red nominee, Poland, was replaced by Yugoslavia after the fifth ballot. Thirty ballots later, neither nation had won the two-thirds majority needed for election.

The question was finally settled by having representatives of the two countries draw straws for the post, with the understanding that the winner will hold it for only one year of the usual two-year term. The Philippines, which lost the lottery, will take the council seat for the second year.

The assembly voted 56-7, with the Soviet bloc abstaining, for continued subcommittee talks on disarmament stressing President Eisenhower's "open sky" plan and Soviet Premier Nikolai A. Bulganin's proposals for control posts at ports, railheads and other strategic points.

The fraternity's headquarters formerly were at Homewood, Ill.

DROWNS IN OHIO RIVER
NEW ALBANY, Ind., Dec. 21.—(UP)—Walter H. Moreland of Metropolis, Ill., was drowned Tuesday but a companion was saved when their boat washed over an Ohio River dam near Laconia.

Moreland and Homer Saltzgraver of Elizabeth, Ind., had just finished placing a warning sign or small craft on the dam when the mishap occurred. Both were members of the Corps of Army Engineers.

FORD FOUNDATION TO
SELL SOME OF ITS STOCK

The Ford Foundation, the biggest philanthropic trust in the world, will make Ford stock available to the public from shares contributed to it by Henry Ford and his son, the late Edsel Ford.

Originally the foundation planned to sell about 15 per cent of its Ford stock. Heavy pre-sale demand caused it to increase the initial offering to approximately 22 per cent.

It is expected to net up to 600 million dollars and possibly more from the sale of up to 100 million shares of the stock. The shares made available for public sale will be created by a split of the 3,089,980 shares contributed to the Ford Foundation by the Ford family.

It was announced that the value of the Ford stock is \$1,840,000,000 and that a profit last year of \$325,000,000 was taken by the Ford Company. It was also announced that Mr. Ford and Mr. Breach, were receiving \$321,000 annually in salaries.

JOHN STEVENSON BADLY
HURT IN AUTO WRECK

GOSHEN, Dec. 21.—John Stevenson, 19 year old son of Adlai Stevenson, was badly injured here this morning and two Chicago companions, enroute home from Harvard, were killed when their car hit police on with a truck, which police said was in the wrong lane of traffic. It was announced that Stevenson's father was flying to his bedside.

Family Christmas
At White House

WASHINGTON, Dec. 21. (UP)—Christmas will be a candy-cane and stocking-at-the-Christmas affair for President and Mrs. Eisenhower this year as they gather their family together for their first Christmas in the White House.

Mrs. Eisenhower says that "Christmas isn't Christmas without the children around." So she has made many of the plans with the three grandchildren in mind—the first youngsters to spend Santa Claus season in the White House since early in the Franklin D. Roosevelt administration.

And there's likely to be extra excitement before the White House holiday is over. Major John Eisenhower's wife, Barbara, is expecting her fourth child toward the "end of the year."

In addition to Major John and his family, the old-fashioned get-together will include Mrs. Eisenhower's mother, Mrs. John S. Doud; Mrs. Eisenhower's sister, Mrs. George Gordon Moore, her husband and two daughters, Ellen and young Maggie; and possibly the President's brother, Dr. Milton Eisenhower and his daughter, Ruth.

The Eisenhowers reportedly planned as long ago as last summer, before the President's heart attack, to spend this Christmas at the White House.

The last two years the first family went to the little White House at Augusta, Ga. for the holiday. Last year, Major John and his family were at Fort Leavenworth, Kan.

Christmas at the White House should be a wide-eyed treat for lucky David, 7, Barbara Anne, 6, and Susan, 3. There will be a small tree upstairs, just outside Mrs. Eisenhower's bedroom in the big hall which is called the private living room, and the usual towering evergreen downstairs decorated with tons of tinsel.

Mrs. Eisenhower, who finished most of her Christmas shopping before Thanksgiving, supervises the trimming of the family tree by White House decorators who also trim the one in the public downstairs rooms.

There's a good chance Mrs. Eisenhower on Christmas day will wear a dress right in keeping with the holiday and also in her husband's favorite color—red.

Last year when the White House social season was in full swing, the judicial reception came closest to Christmas. Mrs. Eisenhower caused "oh's" and "ah's" when she came sweeping down the stair on her husband's arm and wearing a brilliant lull.

PLANE CRASHES
IN FLORIDA; 17
DIE IN FLAMES

AIRLINER FALLS AND EXPLODES NEAR JACKSONVILLE AIRPORT

JACKSONVILLE, Fla., Dec. 21.—(UP)—A Miami to New York Eastern Airlines Constellation crashed and exploded almost in the back yards of residences bordering the Municipal Airport here early today, killing the 17 persons aboard.

There were 12 passengers en route to destinations in Washington, New York and Boston, five crew members and one body being shipped to New York.

The big four-engine plane was making an apparent normal approach to the airport when it plunged into a wooded section at 3:46 a. m. EST and exploded with a blast that awakened sleepers miles away.

The shattered aircraft then skidded almost one-half mile and was rent by another explosion that finished ripping the once-beautiful plane apart.

The pre-Christmas tragedy was the third air disaster to occur in the state and brought to 29 the number of lives lost. Three others were missing.

Airlines officials and police at the scene said there were no survivors. The airline said that its records showed there were 13 passengers and five members of the plane's crew.

Trees were bowled over like tenpins by the huge aircraft and brush fires broke out in the scorched path of disaster, ignited by the flaming torch that was but a few seconds before an airliner making a normal night flight.

Firemen and police converged on the scene quickly and horded down the wreckage in a forlorn effort to get to the blackened bodies of the victims.

The plane was burned, torn and twisted almost beyond recognition as an aircraft. Two engines lay near the shattered fuselage and were put to use as props for portable floodlights.

Mrs. A. T. Collins whose home is a half-block from the crash scene said the impact "almost knocked me out of bed."

"When we arrived a few minutes later all we could see was fire," she said. "There was fire everywhere you looked. I couldn't even make out the pieces of the plane at first except for two wheels that were sticking up in the air."

Authorities were still investigating the other Florida crashes when the new one occurred.

CUB SCOUTS MEET

Each Cub received a neckerchief slide from the Wabash Valley Council as the pack met the increase in enrollment requirement.

Old Santa handed out the gifts which were under a beautiful Christmas tree. Tasty refreshments of cake, coffee and kool-aid were served by the mothers.

Canaan Club Has Christmas Meeting

The Canaan Home Demonstration Club and their families and friends enjoyed their Christmas meeting with a turkey supper Thursday evening Dec. 15th at the home of Mr. and Mrs. Lloyd Greenlee. Their home was decorated in keeping with the holiday season. Two tables were laden with good food for which Mrs. Lester Miller offered thanks. After the supper our thoughts were turned to a program prepared honoring Mr. and Mrs. Joe Garrett for their 50th wedding anniversary Dec. 20th. Two songs written by Mrs. E. Stone, one of our members, was sung by Miss Twyla Greenlee. Accompanied by Mrs. Russell Harcourt at the piano. A poem was read by Mrs. Lloyd Greenlee.

Pictures of the couple were taken with there cake and gifts. Mrs. Garrett is a charter member of our club.

After a short business meeting conducted by our president, Mrs. Leffel Goss, mystery sister taken with their cake and gifts. exchange meeting ended with the club prayer. Owing to the bad weather only fourteen members were present. But the number present was forty-four.

Our next meeting will be held at the Civic Building Jan. 19th, all day meeting. It will be our guest day. Mrs. Vern Rannels and Mrs. Raymond Goss as hostesses.

That's right — you can buy a '56 Buick

This one has moved a lot of folks to change their buying habits. For this strapping sweep of car is a Buick SPECIAL—solid Buick through and through, and sedan-big for six adults. Yet the dollar difference between this beauty and the well-known smaller cars can be sifted down to a pocketful of pennies. (Actually, this Buick costs less than some models of those very same cars—as the price we show here proves.)

But the difference in brawn and breadth and fun and thrill—that's the clincher for the move to Buick...

Because here, folks find, is so much more sheer automobile for the money—big-car power, big-car ride, big-car performance and big-car room at a small-car price.

It comes from new, record-high power—from a big new 322-cubic-inch V8 engine, the same basic engine that powers the costlier Buicks.

It comes from a new Buick ride—backboned by Buick heft, sinewed by stout steel, leveled by all-coil springing, cushioned by triple-oil-volume shock absorbers.

It comes from a new and advanced Variable Pitch Dynaflo

for only **\$2586.¹⁰** delivered locally!

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Any state and local taxes, additional. Prices may vary slightly in adjoining communities. A wide variety of extra-cost equipment and accessories available at your option.

that brings you brilliant new getaway response and bigger gas mileage in your normal driving range—plus sizzling new full-power safety-surge when you floor the pedal and switch the pitch.

And it comes, of course, from Buick size and solidity and steadiness—and all dressed up in Buick's new sweep-ahead style.

So why not come in and try one on for size?

Drop in this week and borrow a key. What happens from that point on is pure thrill—aided and abetted by low prices that make this the best buy yet.

New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

charge of the meeting and read a letter from Mrs. Margaret Crosby thanking the club for their donation for Mental Health. It was voted to wait until Feb. to elect new officers.

Mrs. Frances Watson and Mrs. Dorothea Smith gave the program. Mrs. Ida Stevens and Mrs. Delores Risk won the prizes.

Mrs. Watson and Mrs. Smith passed out the gifts. Everyone tried to guess their secret sister as she received her present. There were twenty-one members present including two associate members.

Next meeting will be held at the home of Mrs. Delores Risk with Miss Avis Risk assistant hostess.

Mr. Champion's Contract Crashes To Sad Defeat
If you held Mr. Dale's hand would you think there was much chance of defeating three no trump? No? Well, Mr. Dale didn't think so either. At least he didn't believe "normal" defense methods would work.

South dealer. Neither side vulnerable.

The bidding:
South West North East
1 ♠ Pass 1 ♥ Pass
2 NT All pass

Mr. Champion for a complete loss. As you know, the "correct" opening from three small cards in partner's bid suit is the highest card. But as soon as the bidding was over Mr. Dale led the deuce of spades.

Mr. Masters won with the ace and returned the ten spot. Here Mr. Champion went into the library. What was that deuce of spades lead?

NO SINGLETON
It could have been a singleton but he didn't think so. That would have given Mr. Masters seven spades, which was a little unlikely. And there was also the possibility that if Mr. Dale had held a singleton in his partner's suit, he might have considered the lead hopeless and opened something else.

The opening might have been from a four-card holding. If that were the case, it made little difference what Mr. Champion played. The spades would then break 4-4 and the defenders would win only three spades and the ace of hearts.

The most likely alternative was that Mr. Dale had started with three spades to the queen. If he had, it was imperative that Mr. Champion go up with the king at trick two and immediately knock out the ace of hearts. Mr. Dale could either drop his queen, making the jack good, or he could keep the queen, in which case the suit would be blocked.

FINAL DECISION
This last was Mr. Champion's

final decision. As he laid down the king of spades, he turned to Mr. Muzzy, who was kibitzing, and said "You'd probably finesse the jack, Muzzy, and then kick about your bad luck when you went set."

Two seconds later the hand crashed to defeat. Mr. Masters took the third trick with the ace of hearts and calmly cashed three good spades.

"That's the worst opening lead I ever saw," Mr. Champion complained.

"Must have had my cards mixed up," smiled Mr. Dale.

Mr. Muzzy couldn't stay out of it. "Don't you make it if you finesse the jack of spades?" he asked innocently.

"Drop the subject," Mr. Champion roared.

560 Toll Is Seen For The Weekend

The National Safety Council today estimated 560 Americans will be killed in traffic accidents during the long Christmas holiday. That would set a new record.

The holiday period will begin at 6 p. m. (CDT Friday and end at midnight Monday.

Files show the traffic death record for any holiday period—556—was set during the four-day Christmas holiday in 1952.

Then burglars entered the burned-out home and took that.
